Introducing the intelligent new EcoSash™ II, proven sustainable energy savings

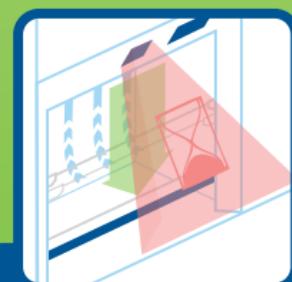

At last you can reduce those high energy costs with the intelligent new EcoSash™ II, proven to significantly reduce energy consumption. Look for the badge of quality on all EcoSash™ II equipped Fume Cupboards

EcoSash detects an operator is present

When operator steps away timer activates

after preset delay the sash lowers reducing airflow

Features

- Can be easily retrofitted to most popular brands of Fume Cupboards
- Automatic lowering of the sash when fume cupboard is not in use, reducing airflow
- Intelligent obstruction sensors prevent damage to equipment
